Read United States Government Manual 2013: The Official Handbook of the Federal Government. Report. Browse more videos ...
The United States Government Manual. The United States Government Manual was published initially as a loose-leaf notebook, its pages held in place by three metal rings. For over eight decades, this New Deal-era publication has been the "official handbook" of the Federal Government. A regularly updated special edition of the Federal Register, it includes leadership tables and describes agency activities and programs of the executive, judicial, and legislative branches of Government, as well ...

As the official handbook of the Federal Government, The United States Government Manual provides information on the agencies of the legislative, judicial, and executive branches. It also includes information on quasi-official agencies; international organi-

zations in which the United States participates; and boards, commissions, and committees.

~~United States Government Manual 2013 | U.S. Government ...~~

The Manual provides comprehensive information on the agencies of the legislative, judicial, and executive branches. It also includes information on quasi-official agencies; international organizations in which the United States participates; and boards, commissions, and committees. Appendices include a list of agency acronyms and a cumulative list of agencies terminated, transferred, or changed in name since 1933.
