More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, *Orientalism* remains one of the most important books written about our divided world.

A solitary woman. A foreign country. An unknown language. An impossible dream? No. With no mission board to support or guide her, and less than ten dollars in her pocket, Gladys Aylward left her home in England to answer God's call to take the message of the gospel to China. With the Sino-Japanese War waging around her, she struggled to bring the basics of life and the fullness of God to orphaned children. Time after time, God triumphed over impossible situations, and drew people to Himself. The Little Woman tells the story of one woman's determination to serve God at any cost. With God all things are possible! A true story of a determined missionary, Gladys Aylward : The Little Woman will challenge you to bold and expectant faith.
