The Fourth Edition of the bestselling Utilization-Focused Evaluation provides expert, detailed advice on conducting program evaluations from one of leading experts.

Chock full of useful pedagogy—including a unique utilization-focused evaluation checklist—this book presents Michael Quinn Patton’s distinctive opinions based on more than thirty years of experience. Utilization-focused evaluation begins with the premise that evaluations should be judged by their utility and actual use; therefore, evaluators should facilitate the evaluation process and design any evaluation with careful consideration of how everything that is done, from beginning to end, will affect use.
