This course will help you understand these complex legal issues by teaching you the norms governing armed conflicts, also known as 'International Humanitarian Law' ('IHL'). We will address these issues in light of recent practice, including the fight against ISIS and Al-Qaeda in different regions of the world, as well as other recent and older conflicts, such as those in Armenia, Afghanistan, Libya, Mali, and the Israeli-Palestinian one.

International law, also known as public international law and law of nations, is the set of rules, norms, and standards gen-

erally accepted in relations between nations. [2] [3] It establishes normative guidelines and a common conceptual framework to guide states across a broad range of domains, including war, diplomacy, trade, and human rights.

### **War & Law | International Committee of the Red Cross**

The Universal Declaration of Human Rights and two related treaties are the fundamental documents of what we call international human rights law. The Geneva Conventions, on the other hand, are treaties of international humanitarian law, which applies specifically to armed conflict.
